FUTURE THREADS: ITALY'S NEW WAVE

This installation explores the trailblazing Italian creatives redefining the essence of "Made in Italy." Blending heritage with innovation and responsibility, these designers and makers are weaving a bold future. From fashion to design to craft, witness Italy's creative evolution through the eyes of those shaping what comes next.

NOT FOR FREE

A site-specific project by Sara Leghissa

NOT FOR FREE is a collection of content drawn from conversations with cis women, non-binary and trans people met in Essen, Madrid, Mexico City, Milan and Ramallah, starting from the need for empowerment and self-determination of certain bodies from norms. We questioned dynamics of power, self-regulation of norms and the perception of privilege in public spaces and work contexts.
